Larry: I received a copy of the memo by Jeff Fudin to Tony Mariano dated 3/18/96 regarding Dr. XXXXXXXXX's repeated off-label use of taxol. A copy was also forwarded to you. I am concerned about the potential of a "whistle-blower". Knowing the history of conflict between these two, I believe that it would be wise for the Medical Center to take this seriously and a formal mechanism be taken to resolve this uneventfully.
